Preauthorization Procedure Code List for eviCore healthcare Effective Jan. 1, 2020

This is not an exhaustive listing of all codes. Codes may change, and this list may be updated throughout the year. The presence of codes on this list does not necessarily indicate coverage under the member benefits contract. It is imperative that providers check eligibility and benefits through Availity® or their preferred vendor to determine if a preauthorization is required.

Blue Cross and Blue Shield of Oklahoma (BCBSOK) has contracted with eviCore healthcare (eviCore)* to provide certain utilization management services. eviCore is an independent company that provides specialty medical benefits management for BCBSOK.

This list only includes **eviCore managed** procedure code changes for services that may require benefit preauthorization through BCBSOK for one or more of our networks (Blue Choice PPOSM, Blue Preferred PPOSM, Blue TraditionalSM, Blue Select PPOSM).
